

August, 2010

Dear Prayer Partner,

Greetings! I hope all is going well for you and you are enjoying the Lord's goodness today. I want to share with you an exciting ministry opportunity that the Lord has given me and to ask for your prayers.

During September 4-11, 2010, I'm planning to be on a short-term Medical Missions Trip to Peru. The trip is sponsored by Menlo Park Presbyterian Church with assistance from Medical Missions International, and by invitation from the pastor of a local church in the small town of Cocachacra Peru. Our team will be offering free medical and dental services in a mobile medical clinic staffed by volunteer medical professionals.

We have an extensive training program that our team is going through to prepare us mentally, culturally, and spiritually for this outreach. Our heart's desire is to serve our Savior, the people of Cocachacra and each other with the same mercy and compassion with which Christ has loved us. We would greatly appreciate you lifting us up in prayer as we prepare and serve, since apart from Him we can do nothing (John 15:5).

Thank you so much for sharing with us in this ministry!

Love in Christ,

*"... shine as lights in the world..." Philippians 2:15*
